WHY REGISTER EARLY...?

Often when attending a N. A. Convention, Members ask "Why should I register?" Understand that the convention incurs a great deal of expense. Theses expenses include the rental of the hotel and convention meeting rooms, DJ's for the dances, signs, printing of the flyers, programs and the items contained in the registration packets. Additionally, most facilities require all participants to register for insurance purposes. The monies collected helps carry the message to the addict still suffering, 7th Tradition funds are used. We believe once participants understand that the fees from registration help to make the event possible and the registration funds collected are used for the planning of future N. A. conventions, the question "Why Register?" will be answered. Your registration entitles you to attend scheduled events that is not a paid event.
